RESIDENCE 7 WINDOWS | CHALK WHITE • CHALK WHITE

My RESIDENCE *Case Study*

This beautiful home was given a modern update with Residence 7. The homeowner opted for Chalk White matt finish both externally and internally for a smooth, contemporary aesthetic.

The Chalk White exterior complements the red brick work while the leaded glass adds a subtle touch of character. The large windows add to the contemporary look as well as flooding the rooms with plenty of natural light.

R7 in Chalk White was the ideal colour choice to match the modern interior of this home, blending in with the homeowners existing aesthetic seamlessly.
